C

Casual Cushion Corp. is a family-owned and operated company that has been in business for more than 36 years. We are a leading manufacturer of outdoor patio cushions and umbrellas, and we proudly produce products that are made in the United States. The Casual Cushion team's core focus is on providing our customers with quality products, individualized customer service, competitive pricing, on-time delivery and an extensive fabric selection.

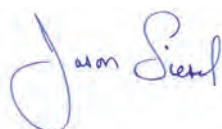

Casual Cushion's philosophy is that all of its customers are our partners in business. The more that Casual Cushion can help its customers sell furniture lines or other products that they carry, the more successful both parties will become.

Our corporate headquarters and manufacturing facilities are located in Rock Hill, S.C., where we have more than 300,000 sq. ft. of manufacturing and warehouse space. This location allows Casual Cushion to be very close to our vendors, and our state-of-the-art facilities allow for ever-increasing efficiency.

If you are a potential new customer, all we ask is that you give Casual Cushion a try, and we promise to exceed your expectations. If you are an existing customer, we thank you for your support, and promise to continue to earn your business.

Let us know what we can do to help you.

Sincerely,

Jason Siesel
