

**2018-2019 CASUAL CUSHION SUPPLEMENTAL SUNBRELLA FABRIC LIST**

Below is the 2018-2019 Sunbrella™ fabric line which is not in our swatch book. Fabrics in caps are stocked by Casual Cushion. Fabrics with an asterisk are stripes. Ordering non-stocked fabrics may add two weeks to lead time. With an order of 10 cushions or more that are in the same fabric, the price level of non-stocked fabrics can be reduced one grade level. Fabrics are run up the roll and random cut. Consult the Sunbrella™ swatch book for fabric direction. This list includes Icon and Shift Collection Fabrics.
