

## a BEAUTIFUL performance

### Enduring Color

- UV resistant: colors stay strong and vibrant under intense sunlight
- Bleach cleanable
- Chlorine resistant

### Sumptuous Hand

- Sunbrella® fabrics are soft, inviting & durable

### Dramatic effects

- Sunbrella is available in hundreds of solids, stripes and textures as well as exquisite decorative jacquards.

### Worry Free

- Stain resistant
- Easy to clean
- Mildew resistant

## Sunbrella fabrics are durable and easy to clean.

Sunbrella superior pigments are added during the production of fade-resistant Sunbrella fiber. The final result is Sunbrella yarn and fabric with color throughout that won't fade or wash away. Think "carrot."

In ordinary fabrics, dyes are added to the surface of the yarn or fabric. The color only penetrates the outer layer and washes out or fades away over time. Think "radish."

## Protection from the elements. And more.

The Skin Cancer Foundation recommends Sunbrella® as an aid in the prevention of sun-induced damage to the skin. Please use shading products featuring Sunbrella as a part of your complete sun protection regimen, including regular use of sunscreen.

\* Does not apply to styles of Sunbrella that are designed for transparency, such as Sunbrella Sheers.

## Sunbrella furniture fabrics are GREENGUARD® certified for indoor air quality.

Sunbrella furniture fabrics are certified by the GREENGUARD Institute's Children and Schools standard as contributing to healthy indoor air by being a very low emitting interior product.

# OUTDOOR FURNITURE

## care and cleaning

Sunbrella® fabrics should be cleaned regularly before substances such as dirt and food particles are allowed to accumulate on and become embedded in the fabric. This practice will eliminate the need for more frequent vigorous cleaning.

### General or light cleaning

- Brush off any loose dirt.
- Prepare a cleaning solution of 2 ounces (1/4 cup) mild soap per gallon of lukewarm water (less than 100° F/38°C).
- Use a sponge or a soft bristle brush to clean.
- Allow cleaning solution to soak into fabric.
- Rinse thoroughly to remove all soap residue.
- Allow fabric to air dry.

For removable Sunbrella fabric umbrella and cushion covers, machine wash in cold water (less than 100° F/38°C). Depending on wash load size, use normal amounts of mild laundry soap. Allow fabric to air dry.

### Spot cleaning

- Apply a light mist of our recommended cleaning solution using a spray bottle.
- Work the solution into the stain by lightly scrubbing the area with a sponge or very soft bristle brush.
- Rinse thoroughly to remove all soap residue.
- Blot excess moisture with a clean, soft towel or sponge.
- Wet-vacuum or blot excess water.
- Repeat these steps until stain is removed.

### Heavy cleaning for stubborn stains and mildew

Sunbrella fabric does not promote mildew growth, however, mildew may grow on dirt and other foreign substances that are not removed from the fabric. To clean mildew, or other stubborn stains:

- Prepare a solution of 8 ounces (1 cup) of bleach and 2 ounces (1/4 cup) of mild soap per gallon of clean water.
- Spray on entire area and allow to soak into the fabric.
- Scrub vigorously with a soft bristle brush, sponge, or clean towel.
- Rinse thoroughly to remove all soap residue.
- Allow fabric to air dry.

If stain and/or mildew are severe, bleach quantities may be increased.

For removable Sunbrella fabric umbrella and cushion covers, machine wash in cold water (less than 100° F/38°C). Depending on wash load size, use normal amounts of mild laundry soap and add 1 cup of bleach. Allow fabric to air dry.

### Re-treating the fabric for ease of cleaning

Sunbrella fabrics have a special finish that enhances water repellency. The finish is designed to last for several years of normal use, but may be refreshed after a thorough cleaning or extended use. Glen Raven recommends 303 High Tech Fabric Guard™ as the preferred re-treatment product for Sunbrella fabrics.

### Applying 303 High Tech Fabric Guard

303 should be applied to Sunbrella fabrics after each thorough cleaning, which typically removes the original finish and reduces the fabric's water repellency.

- Clean Sunbrella fabric, using one of the cleaning methods.
- Allow Sunbrella to completely air dry.
- Apply 303 Fabric Guard in a well-ventilated area following instructions on the container.
- Apply 303 in a thin, even coat and allow fabric to dry completely.
- Apply a second thin, even coating of 303. (Two light coatings are more effective in restoring fabric water resistance than a single heavy coating.)
- A 15-ounce bottle provides coverage of up to 50 square feet of fabric.)

### Professional cleaners

In evaluating the services of a professional firm, you should inquire about the firm's experience in working with Sunbrella fabrics and knowledge of cleaning and re-treatment requirements. DO NOT dry clean Sunbrella fabrics.

### Helpful hints

Protect the area around your Sunbrella fabric when using a bleach solution – bleach may discolor non-Sunbrella fabrics. Always rinse Sunbrella thoroughly to completely remove bleach.

Sunbrella air-dries very quickly. Machine drying is not necessary.

If fabric has some wrinkling, use an iron, if necessary, but only on the synthetic\* setting. As some irons exceed the recommended 100° F/38°C temperature on the synthetic setting, test a small inconspicuous area before ironing entire piece.

DO NOT use a steamer or iron set to steam setting.

\* Synthetic fabric heat settings normally do not exceed 150° F/66°C.

# STAIN CHART

This chart contains our recommended cleaning methods of Sunbrella® fabric for some of the most common and toughest stains. You may also use Carbona Stain Devil cleaning products. Available from national retailers, Carbona provides 9 formulas made to get out different types of stains. Apply the number indicated for your stain.

STAIN	RECOMMENDED CLEANING SOLUTIONS	CARBONA STAIN DEVIL NO.
BEER	Dawn® dishwashing liquid (2 oz.) / 1 gallon water / white vinegar (3 oz.)	8
BERRY	Dawn® dishwashing liquid (2 oz.) / 1 gallon water / ammonia (4-8 oz.)	8
BIRD DROPPINGS	Dawn® dishwashing liquid (2 oz.) / 1 gallon water, or try Goo Gone Grease Cutter (a hand cleaner), Greased Lightning, or Clean Rite Purple Power (available at Wal-Mart, K-Mart, etc.)	
BLOOD (DRIED)	Dawn® dishwashing liquid (2 oz.) / 1 gallon water / ammonia (4-8 oz.)	4
BUTTER	volatile solvent (acetone) 100%	5
CHARCOAL, PENCIL MARKS	vacuum, then Dawn® dishwashing liquid (2 oz.) / 1 gallon water	3
CATSUP OR MUSTARD	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	2
CHEWING GUM	volatile solvent (acetone) 100%	1
CHOCOLATE	Dawn® dishwashing liquid (2 oz.) / 1 gallon water / ammonia (4 oz.)	2
COFFEE	Dawn® dishwashing liquid / water, white vinegar, volatile solvent (acetone)	7
COLA	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	7
CRAYON	paint remover (100%), oil or grease remover (mix as directed)	3
EGG (RAW)	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	4
GRAPE JUICE	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	8
GRAVY	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	2
GREASE (CAR)	volatile solvent (acetone) 100%	5
INK (PERMANENT, INDIA, BALLPOINT)	paint remover (100%), volatile solvent (acetone) 100%, soap and water	3
IRON RUST	Carbona™ Stain Devil #9	9
LIPSTICK	paint remover, oil or grease remover (mix as directed)	6
MASCARA	paint remover (100%), volatile solvent (acetone-100%), Dawn® dishwashing liquid (2 oz.) / 1 gallon water	6
MILDEW	bleach (1 cup) / Dawn® dishwashing liquid (2 oz.) / 1 gallon water	4
MILK	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	8
NAIL POLISH	volatile solvent (acetone) 100%	1
OIL	volatile solvent (acetone) 100%	5
ORANGE DRINK	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	8
PAINT (LATEX) WET	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	6
PAINT (LATEX) DRIED	paint remover (100%), oil or grease remover (mix as directed)	6
PAINT (OIL OR LACQUER)	paint remover (100%), oil or grease remover (mix as directed)	5
SHOE POLISH (LIQUID)	volatile solvent (acetone) 100%	5
SHOE POLISH (WAX)	apply heated iron over towel, volatile solvent (acetone) 100%	5
SUNTAN LOTION	Pine Power® or pine oil detergent / water (mix as directed)	5
TEA	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	7
TOMATO JUICE	Dawn® dishwashing liquid (2 oz.) / 1 gallon water	2
